

DLX IMPROVES COMMUNICATION, SHIPMENT TRANSPARENCY AND OPTIMIZES LOADS IN REAL TIME

IN PARTNERSHIP WITH

The Amarr logo is displayed in white script font on a teal rectangular background.

Amarr is one of the world's leading brands in design, manufacture, and distribution of sectional doors for both residential and commercial markets.

Amarr operates over 60 Door Centers in the US, Canada, and Mexico. They were looking for a partner who had the stellar customer service and support to back a state-of-the-art logistics platform.

CLEAR COMMUNICATION

XTMS improved relationship between Amarr and their clients through clear and open communication, shipment transparency and load optimization.

CUSTOMIZED DASHBOARDS

Instant access to dashboards has allowed the Amarr team to be able to change routes and make decisions on the fly, leading to faster, more efficient shipments.

HIGH ENERGY

"It's different from 3PL's I've worked with before; the energy is different. They're one of the fastest growing companies in Kansas City—all of those things—made the decision rather easy."

KEN SUTTON, LOGISTICS MANAGER

CENTRALIZE YOUR OPERATIONS WITH XTMS

Manage and execute business from ONE centralized platform.

STOP wasting time creating reports. XTMS does the work for you and provides key performance updates.

Access to over 10,000 network carriers to take your product from Point A to Point B.

Data Integration that can save you up to 30 hours per week.
